

SMYRNA CHRISTIAN SCHOOL UPDATE

Greetings from the Smyrna Christian School,

We have just finished our sixth week of learning here at the school. As the new principal, I am very pleased with the overall atmosphere of our school and the dedication that the teachers and staff are giving to our students. With God's blessing, we will continue to be productive and teach these children in a way that is pleasing in His sight.

The month of September was a very busy one, and we have ushered in the month of October just as busy. Mrs. Marvel, our 1st and 2nd Grade teacher, was selected, by her peers, as Teacher of the Month for the month of September due to her hard work and dedication to not only her students, but for the school as well. I am very proud of her and her loving and kind ways.

Our Middle School participated in the Spelling Bee, which was very successful. Congratulations are in order for Dante, Natalie H., Salma, and Natalie M. for being top winners. They will represent Smyrna Christian School at the district ACSI Spelling Bee next month in Maryland. Let's keep them in prayer.

We have many things planned for the month of October, to include, our much anticipated Fall Festival and Chicken Barbecue which will be held on the 13th. You can purchase tickets for the chicken barbecue from any of the students, or simply stop by the school office and purchase them from Mrs. Rash. We look forward to seeing you and it is sure to be a great day. We also have our trip to Coleman's Tree farm and our Preschool Festival; both to be held on the 22nd; and last but not least, our dinner fundraiser will be held at Hardees, here in Smyrna, from 5:00 - 8:00 pm. They will donate 20% of all proceeds, during that time frame, to the school. Give up cooking for a night, and enjoy a meal while supporting our school. The students and I thank you, in advance for your support.

This school year is sure to be filled with lots of love, adventure, and chaos. I am so very grateful to have been given the opportunity to lead such an awesome group of God's people.

Smyrna Christian School Principal

AMAZING APPLES AT SMYRNA CHRISTIAN SCHOOL

The kindergarten classes at Smyrna Christian School learned about Johnny Appleseed and how to make applesauce. The best part was when they were able to eat the tasty treat!
