

SMYRNA CHRISTIAN SCHOOL UPDATE

Greetings from Smyrna Christian School,

The month of March has come to an end and as the saying goes, "It came in like a lion, and went out like a lamb." We are certainly ready for the Spring weather to usher in.

Throughout the first week of the month, the Preschool and Kindergarten classes celebrated Dr. Seuss week. There was a different activity to go along with a specific book each day, and the teachers, aids, and students had so much fun! I found out that green eggs and ham are still a favorite among many.

We continued our Spirit Fridays into March as our students and staff enjoyed Wacky Tacky Day; which was totally fun and bizarre. The following Friday was a blast from the past as we all enjoyed 80's Day; thus far, the 80's was my personal best decade, and it was so fun to experience the decade through dress and mannerisms from way back then. The final Spirit Friday was Superhero Day; which is a favorite to many of our students. We felt well protected throughout the day with a myriad of superheroes among us.

On March 22nd, we held our annual Spaghetti Dinner fundraiser. Along with a terrific dinner, we held our basket raffle and art ticket auction. All who attended had a wonderful time and experience. Along with thanking our school staff, a sincere thank you is in order for Mr. Joe Cogar who went above and beyond to help make this fundraiser a success. I would also like to thank Olive Garden for supplying the salad and breadsticks for our dinner.

We ended the month with a field trip to Herr's Potato Chip Factory on Friday, March 29th. Boy were they surprised at the size of our group!! Instead of breaking down into four groups; we had to divide into six. Not only has our student population grown; our chaperone numbers have increased as well. Everyone in attendance enjoyed the experience, loved the hot chips taken right off the line, and had a great time shopping and fellowshiping to and from Nottingham, PA.

Overall, March was a great month for us. It is hard to believe that we have just two more months remaining in our school year. With God's continued grace and mercy, our school will continue to increase in size.
