

SMYRNA CHRISTIAN SCHOOL UPDATE

Greetings from the Smyrna Christian School,

The month of January has been a very busy, yet productive month following our much needed winter break. Our month was filled with lots of learning, fun, and fellowship.

On January 21st, we had our all school field trip to Adventure Aquarium in Camden, NJ. Over 100 students and family members enjoyed a great day; and following the trip, we were gifted free tickets to return on another date. What a fantastic surprise!!

Also on the 21st, our Book Fair began and ran through the 29th. The event was very successful. During this period, we held our annual Books Alive celebration, where the teachers and students dressed up as characters from their favorite book. The day was full of laughter and fun. I especially enjoyed seeing all the many different characters come to life.

Following Chapel on the 22nd, we held our Honor Roll ceremony and celebrated those students who excelled during the last quarter of school; receiving either All "A" Honor Roll or "A/B" Honor Roll. I am super proud of these students and their teachers!

On Saturday, the 25th, we held our annual Pancake Breakfast fundraiser. This was another successful event. Despite the weather, we had numerous people attend, and breakfast was enjoyed by all. A special thank you goes out to Sudlersville Meat Locker and the Kenton Ruritan Club for donating the sausage. Also, a very special thank you to Hillandale Farms for donating 30 dozen eggs. This was truly a very nice, welcomed surprise for all those in attendance. Scrambled eggs are a great addition to any breakfast meal.

On the 28th, we held our monthly dining out fundraiser at Outback Steakhouse in Dover. Our next dining out fundraiser will be held on February 18th at Texas Roadhouse, where the restaurant will donate 10% of all proceeds to our school. We ask for your continued prayers that we meet our desired fundraising goal for this school year.
